- **Monthly Income:** Approx. ₹1.80 Crores INR: Attractive monthly revenue potential.
- **Images for Future Project Visualization:** Conceptual images depicting the project.

# Hydro

Small hydropower plants (MVE) is the designation for water power with installed capacity up to 10 MW inclusive. The European Union, however, considers MVE to 5 MW.

THANK YOU

*We look forward to  
partnering with you  
for your financial  
needs.*
